

I am a listener of K-Love on 90.7 in Casper, WY. It is my understanding that it is possible for LPFM to take priority over the current FM translator service which is currently being used by K-Love.

To my knowledge, K-Love is the only non-commercial Christian radio station in Casper (and Wyoming). They serve my community by offering 24-hour positive, family-friendly music, news, prayer support and ministry opportunities. If this station were to be displaced by a LPFM broadcaster, our family would have no other source for the music and services they provide.

Because K-Love offers opportunities to serve our community, I believe it is in the best interest of the community and the public in general to not allow LPFM to take priority over the current translator broadcasting.

Thank you for the opportunity to voice my opinion in this matter.
